

ANTI-MONEY LAUNDERING POLICY

Our company operating in the hotel textile industry supports all efforts related to anti-money laundering both nationally and internationally and complies with all applicable laws and other legal regulations. In the fight against money laundering, our company has established the following policy:

- Adhering to all relevant legal regulations on the subject,
- Cooperating with regulatory authorities on both national and international levels,
- Upholding ethical business principles,
- Monitoring developments and innovations related to legislation,
- Reporting any kind of inappropriate situation to the relevant legal authorities.
