

ANTI-CORRUPTION AND ANTI-BRIBERY POLICY

Our company, operating in the hotel textile industry, is committed to combating corruption and bribery. In this fight, our company has established the following policy:

- Ensuring that none of our stakeholders are listed on National or International Sanctions Lists,
- Adhering to restrictions imposed on donations and contributions in accordance with relevant legal regulations,
- Reporting all incidents related to corruption and bribery to the relevant authorities and providing full support for any requests received from these authorities.
